

ReliaMAX™

Reliable Performance & Maximum Value

AUTOMATIC LUBRICATION SYSTEMS

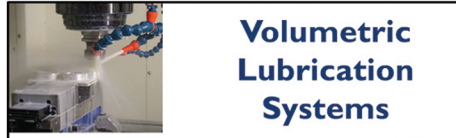

Independent Manufacturer's Representative

Progressive Lubrication Systems

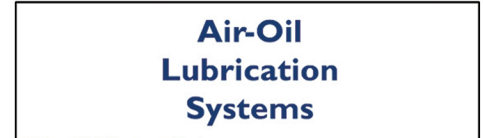

Off / On Road Mobile Equipment, In-Plant, Industrial, Infrastructure

Volumetric Lubrication Systems

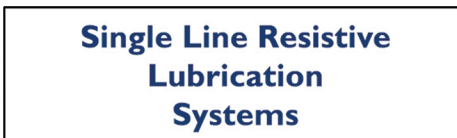

Industrial Machinery Electric & Pneumatic Pumps for Oil & Soft Grease

Air-Oil Lubrication Systems

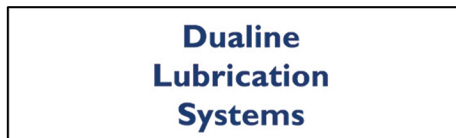

Machine Tool Spindles Mechanical Processing Heads Steel Industry Apps

Single Line Resistive Lubrication Systems

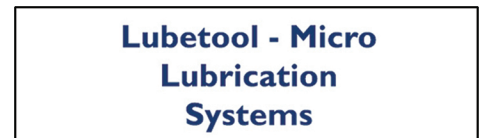

Low Pressure Oil Systems for Light, Medium, & Heavy Machinery

Dualine Lubrication Systems

Steel & Paper Mills, Long Runs, Harsh or Extreme Operating Conditions

Lubetool - Micro Lubrication Systems

Band Saws, Milling Tapping, Boring, Chains Minimum Quantity Spray

Fittings and Accessories

Remote Manifold Kits Specialized Reusable Ends Metric Size / Hose / Tubing

Open Gear Spray Systems

Automatically Spray Heavy Adhesive Open Gear Lubricants On Ball Mill, Kilns And Rotary Dryers

- Serving all industries for over 45 years
- Extensive Field Experience
- Experts in challenging applications
- Your Single Source for any and all lubrication needs

LUBRICANTS

Comprehensive Lubricant Line

**Greases- EP, High Temp, Elec Mtr, Semi-Fluid, Gen Purp
Turbine, Hydraulic & Compressor Oils
Open & Enclosed Gear Lubricants
Engine Oils, Transmission Fluids
Food Grade Lubricants
Oven Chain Lubricants
Industrial Oils
Equipment Reliability Assessments**

RELIABILITY ENHANCING PRODUCTS

Desiccant Breathers

Clear Grease Guns

Single Point Lubricators

Sight Glasses

LUBRICANT HANDLING PRODUCTS

Comprehensive Third Party Oil Analysis

Oil Filtration

Lubrication Work Center

Oil Storage Containers
